

Speaker Profile

Lachlan James

Lachlan has a background in engineering, law and business. From 2000-2007 he was a venture capitalist with Innovation Capital. During this time he also held senior executive roles with several of Innovation Capital's portfolio companies. He has previously worked as a IP lawyer with Clayton Utz and in engineering with Arrow Australia, a large transnational automotive electronics manufacturer.

Lachlan has honours degrees in electrical engineering from Melbourne University and law from the ANU, and has a Masters of Law from Cambridge where he majored in Intellectual Property. He has also studied at the Harvard Business School.

In addition to providing business mentoring and business planning consulting, Lachlan is currently pursuing early-stage technology opportunities. Lachlan resides in Sydney, Australia.
